

RB 346 87 MX VEL

High-performance aluminium oxide abrasive cloth

Product Benefits

- Synthetic resin bond ensures excellent grit adhesion
- Use of ceramic grit fractions ensures longer tool life
- High tear-resistant X-cloth increases safety when grinding

Applications

- Grinding of sheet and part for car bodies
- Smoothing weld seams
- Especially suitable for grinding iron and non-ferrous materials

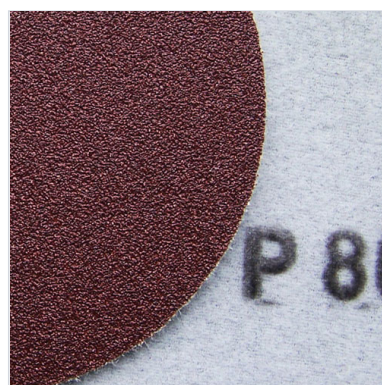

Product Structure

Type	34687
Grain	Keramikkorn/Korund
Bonding	Resin
Backing	X-cloth, velour backed
Coating	Closed
Grit range	P 40, P 60 - P 150

Forms of Delivery

Discs

Metal

Wood

Lacquer
